## Resident Spotlight on John Yatchisin! 😊

John was born and raised in Taylor, PA until he was just shy of his 10<sup>th</sup> birthday. At that time, he was enrolled in Girard College, a 1<sup>st</sup> through 12<sup>th</sup> grade boarding school for fatherless boys in Philadelphia. Sadly, this was due to the loss of his father. John was one of nine children. After graduating from Girard, John's first job was as a mail boy at a New York textile company. He was then promoted to the order department. This was where he met Audrey Eagan, who later became his wife. Then the draft for the Korean war happened and he became a Marine. After serving, he availed himself of the GI Bill and took night classes at Pace University, Fairleigh-Dickinson & Rutgers. During the day he worked as an insurance investigator for New York Life Insurance and was also an insurance salesman for a short time. He & Audrey got married in 1958 and they were invited to live with her family while they looked for a place of their own. Unfortunately, before they found a place, Audrey was diagnosed with Multiple Sclerosis. Because of this, they

continued to live with her family in Haworth, NJ. In 1960, they had a son, John. At this time, John worked as the Communications Director at Prentiss Hall, a text book publisher. He was writing bulletins for the sales force. He liked using sports lingo in his writing about the achievements of the salesmen and tied it into sports-themed contests. At this time, he was the primary care-giver for his wife and worked part-time outside of the home. He always loved writing and submitted professional writings on the side. He is most proud of his son, John and his achievements; as he was always top in his class, academically. Thank you for always being so kind and incredibly thoughtful to your fellow residents, John. Your quiet, kindred spirit is greatly appreciated and much adored! 😊

On Wednesday, December 7<sup>th</sup> we attended the Elks Club's Upper Valley Seniors Holiday Party. We all enjoyed a wonderful meal, fantastic music and terrific door prizes. Our own Keri-Ann Coutu (Community Relations Director) acted as the Mistress of Ceremonies and did a fabulous job for her fellow Elks Club members and all of the senior citizens present. Keri-Ann has served on the Upper Valley Seniors Holiday Party Committee for 13 years & as the Chair for 4 years now. Thank you for the invitation, Keri-Ann, as we look forward to attending this fun event on an annual basis! 😊  
FUN FACT: Our beloved resident, Bernie Bartlett is a 50 year member of the Elks Club! Yay! 😊
